FOR YOUR ALOE VERA  
NEEDS

only use the best pure aloe vera gel in your formulation and gain the benefits of natural aloe Vera gel in your products. Careful cultivation and processing provides superior products for you.

## ABOUT US

Kimia Elixir Mana is a knowledge based agricultural company with the brand name Dr. Aloe Vera miller. We have over 16 years of experience developing innovative applications and formulations for aloe vera. Quality begins at our farms where Aloe vera is grown without the use of pesticides, herbicides ,or other harmful chemicals.We then process the Aloe vera juice, concentrates, or powder using state of the art procedures and techniques developed in our research laboratories.These stringent controls are Dr.Aloevera's Established Standard of Excellence and allow us to achieve European Union organic certificate and ISO 9001 and 22000. We have the science of processing aloe vera and providing raw materials for all industries.we are proud to be your premier supplier of organic aloe vera products.
